TUKS CAMERATA 2006

Cant'afrika

Cant'afrika consists of 12 singers from the Gauteng area. Its aim is to study and perform works of South African composers, as well as works seldom heard in Southern Africa. The ensemble came into being in 2006 with its first project to perform and record selected choral compositions by the South African composer, Niel van der Watt. The artistic leader is Johann van der Sandt.

Cant'afrika is in 2006 gestig met die doel om Suid Afrikaanse koorrepertorium in te studeer en uit te voer asook werke selde in Suider-Afrika gehoor. Die ensemble se eerste projek was die uitvoering van geselekteerde koorwerke van die Pretoriase komponis Niel van der Watt. Die ensemble bestaan uit 12 sangers uit die Gauteng-area. Die artistieke leier is Johann van der Sandt.

Singkronies,

conducted by Johann van der Sandt, is a mixed adult choir consisting of 48 members. In the selection of members, voice quality and musicality is of paramount importance. The choir members are mainly professional people who, to escape the pressures of work, enthusiastically travel from all over Gauteng to Pretoria to attend choir rehearsal. The choir was founded in 1996 and has already achieved wide recognition in South Africa.

A unique feature of this choir is that it is not affiliated to any official body and functions on a project basis. An important priority of the choir is the recording of South African choir music for archival purposes. The five CD's recorded by Singkronies thus far have been well received locally and abroad. This choir received the FNB SAMA Award as the best local mixed choir for its recording of the choral works of the Stellenbosch composer, H. Pieter van der Westhuizen.

Both choir and conductor have made their mark at an international level. In 1998, during the Finnish Choir Festival they were described as "of the highest quality". In June 2004 they were the guests of the Czech Government at the International Choir and Music Festival in Prague and Jihlava. The choir used this opportunity to introduce many works of South African composers to an international audience.

Singkronies devoted the first half of 2005 to a highly acclaimed performance of the Mozart Requiem (with a new completion by Duncan Druce) in conjunction with the Chamber Orchestra of South Africa under the baton of Dutch conductor Arjan Tien. The a capella programme included works by American and Russian composers. In June 2006 the choir undertook a concert tour to the Western Cape with performances in Villiersdorp, Parow and Lambertsbai. In April 2007 the choir will tour to Finland and Estonia and participate in the 10th International Choir Festival in Tallinn.

Singkronies,

onder leiding van Johann van der Sandt, is 'n gemengde volwasse koor wat uit 48 lede bestaan. Stemgehalte en musikaliteit is deurslaggewende kriteria in die keuring van lede. Die koor bestaan uit professionele mense wat 'n wye verskeidenheid van beroepe beoefen. Ten spyte van werksdruk en spanning reis lede weekliks van regoor Gauteng na Pretoria waar oefeninge geesdrifig bygewoon word.

Die koor is uniek daarin dat dit onafhanklik van enige instansie is en op 'n projekbasis funksioneer. 'n Belangrike prioriteit is die opname van Suid-Afrikaanse koormusiek. Op hierdie wyse streef die koor daarna om 'n bydrae te maak tot die skat van Suid-Afrikaanse koormusiek. Die koor is in 1996 gestig maar ondanks 'n relatiewe kort bestaan, het die koor reeds bekendheid verwerf in Suid-Afrika en elders vir die gehalte van uitvoerings en opnames. Singkronies spog met vyf CD-opnames wat nasionale en buitelandse erkenning geniet. Die koor het 'n FNB SAMA-toekenning ingepalm vir die beste opname deur 'n gemengde koor vir sy opname van die koorwerke van die Stellenbosch komponis H. Pieter van der Westhuizen.

Op internasionale vlak presteer sowel koorleier as koor wat tydens 'n Finse internasionale koorfees in 1998 beskryf is as "van die hoogste gehalte". In 2004 word die koor deur die Tjeggiese regering uitgenooi om aan 'n internasionale koorfees in Praag en Jihlava deel te neem. Die koor het van hierdie geleentheid gebruik gemaak om Suid-Afrikaanse komposisies aan 'n internasionale gehoor bekend te stel.

Singkronies het die eerste helfte van 2005 gewy aan 'n hoog aangeskrewe uitvoering van die Mozart Requiem (met voltooiing deur Duncan Druce) in samewerking met die Chamber Orchestra of South Africa onder leiding van die Hollandse dirigent Arjan Tien. Die a capella-program het werke van Amerikaanse en Russiese komponiste ingesluit.

In Junie 2006 het die koor na die Wes-Kaap getoer, met optredes op Villiersdorp, Parow en Lambertsbai. In April 2007 beplan die koor 'n internasionale toer na Finland en Estland waar dit aan die Tiende Internasionale Koorfees in Tallinn gaan deelneem.

BELLS

Péter Louis van Dijk (*1953)

Laudate Dominum in sanctis eius / The journey's long, the road is steep. / A few more steps, a mile or two, before we sleep; / But we are strong: we'll seize the day - / For distant bells beguile us, lead us on our way. / The morning sky is bathed in gold. / Just one more hill until we reach that place of old / Where countless throngs have gone before / To the fount of Happiness-for-Evermore / How clear that sound, the clarion call / Of silver bells and trumpets from that city wall; / For we are near - we're almost done: / Our Promised

Sung in English

Land lies blazing in the glorious sun! / Rejoice! With shouting and singing! / Rejoice! With dancing and ringing! / Rejoice! With instruments and voices, / With clapping and clanging, Rejoice! / Laudate Dominum! O Pilgrims away! What joy awaits! / In sanctis eius / The day we reach those city gates ... / A few more days across the plane; / Though night has fallen, we are on the march again, / For through the dark we see the glow / Of distant lights, the citadel where we must go. / The journey's long, the road is steep. / Another million miles to go before we sleep; / But we are strong, our vision clear / And, right or wrong, we've travelled far to make it here. / How great the cost, o clarion call! / To heed those bells from that illusive city wall; / But we are near - we're almost done: / Our Promised Land lies blazing in the setting sun! / Rejoice! With shouting and singing! / Rejoice! With dancing and ringing! / Rejoice! With instruments and voices, / With clapping and clanging, Rejoice! / Laudate Dominum! O Pilgrims away! Arise! Arise! / In sanctis eius / We shall proceed beyond the skies, / Past far-flung galaxies, on angels' wings / To some special star, where true bliss rings ... / Ah ...

O DIEPTE VAN DIE RYKDOM

Sung in Afrikaans

Chris Lamprecht (*1927)

Ons staan hier voor 'n geheimenis: / O, Diepte van die Rykdom en Wysheid en Kennis van God. / Hoe ondeurgrondelik Sy oordele / Hoe onnaspeurlik Sy weë / "Wie ken die bedoeling van die Here?" / "Wie gee Hom raad?" / "Wie bewys Hom 'n guns sodat Hy verplig is om iets terug te doen?" / Uit Hom en deur Hom en tot Hom is alle dinge. / Aan Hom behoort die heerlikheid tot in ewigheid. / Amen

I do not want you to be ignorant of this mystery, brothers: / Oh, the depth of the riches of the wisdom and knowledge of God! / How unsearchable his judgments, / and his paths beyond tracing out! / Who has known the mind of the Lord? / Or who has been his counsellor? / Who has ever given to God, that God should repay him? / For from him and through him and to him are all things. / To him be the glory for ever! / Amen.

GOD STEL 'N TYD VAS

Sung in Afrikaans

Niel van der Watt (*1962)

God stel 'n tyd vas vir als wat op aarde gebeur. / So stel Hy die tyd vir 'n mens se geboorte en dood / 'n Tyd om te plant en 'n tyd om te oes. / 'n Tyd om dood te maak en 'n tyd om gesond te maak, / 'n Tyd om te breek en 'n tyd om te bou, / 'n Tyd om te huil en 'n tyd om te lag, / 'n Tyd om te treur en 'n tyd om te dans, / 'n Tyd om klippe weg te gooi en 'n tyd om klippe bymekaar te maak / 'n Tyd om te omhels en 'n tyd om weg te stoot, / 'n Tyd om te kry en 'n tyd om te verloor / 'n Tyd om weg te hou en 'n tyd om weg te gooi / 'n Tyd om te skeur en 'n tyd om heel te maak / 'n Tyd om stil te bly en tyd om te praat, / 'n Tyd om lief te hê, 'n tyd ook om te haat, / 'n Tyd vir oorlog en 'n tyd vir vrede.

There is a time for everything, / and a season for every activity under heaven / a time to be born and a time to die, / a time to plant and a time to uproot, / a time to kill and a time to heal, / a time to tear down and a time to build, / a time to weep and a time to laugh, / a time to mourn and a time to dance, / a time to scatter stones and a time to gather them, / a time to embrace and a time to refrain, / a time to search and a time to give up, / a time to keep and a time to throw away, / a time to tear and a time to mend, / a time to be silent and a time to speak, / a time to love and a time to hate, / a time for war and a time for peace.

O PRAISE GOD IN HIS HOLINESS

Sung in English

John Joubert (*1927)

Accompaniment: Theo van Wyk (Organ)

O praise God in his holiness: / Praise him in the firmament of his pow'r / Praise him in his noble acts: / Praise him according to his excellent greatness. / Praise him in the sound of the trumpet: / Praise him upon the lute and harp / Praise him in the cymbals and dances:

Praise him upon the strings and pipe. / Praise him upon the well-tuned cymbals: / Praise him upon the loud cymbals. / Let everything that has breath: / Praise, praise the Lord.

HERE, U IS MY KRAG EN BESKERMING

Sung in Afrikaans

Niel van der Watt (*1962)

Waarom is daar geen einde aan my smart nie? / Waarom moet ek gedurig hartseer deurmaak / soos 'n wond wat nie genees nie? / Het U dan vir my soos 'n onbetroubare stroom geword? / "As jy na my toe t'rug kom, sal ek jou aanneem, / Ek sal sou gebruik, / Ek sal deur jou praat asof jy my eie mond is / Ek sal altyd by jou bly om jou te red en te beskerm / Ek, die Heer, belowe dit!" / Here, U is my krag en beskerming / By U kan ek skuil / U red my, Heer, dat ek weer kan veilig wees / By U kan ek skuil in nood / Vir U wil ek al die eer gee / Amen

Why is my pain unending / and my wound grievous and incurable? / Will you be to me like a deceptive brook, / like a spring that fails? / Therefore this is what the Lord says: / "If you repent, I will restore you / that you may serve me; / if you utter worthy, not worthless, words, / you will be my spokesman. / O Lord, my strength and my fortress, / my refuge in time of distress, / I find shelter in You / You deliver me, I am safe again / I find shelter in You in times of need / I want to bring You all the glory. / Amen.

IN LUMINE TUO

Sung in Latin

Roelof Temmingh(*1946)

In lumine tuo / Videbimus lumen / Emitte lucem tuam / Et veritatem tuam / Ipsa me deduxerunt / Et ad duxerunt in montem sanctum tuum / Et in tabernacula tua / In lumine tuo videbimus lumen.

In your light shall we see light. / O send out your light and your truth: let them lead me; / let them bring me unto your holy mountain, / and to your tabernacles. / In your light shall we see light.

I AM THE VOICE OF AFRICA

Sung in English

Niel van der Watt (*1962)

Accompaniment: Hilton Anspach (Double Bass); Wiehahn Francke (Jembe)

Listen! Do you hear it? / Listen! / Tune your ear, its quiet hush grows / Flows from the glowing east / It's an incessant hum / The strum of strings and wings / A million things / The rumbling of the chariot of dawn / Listen! / Do you hear it? / Listen, tune you ear, it's the last twitch of twilight / The misty half-light of good night / The maiden rites of sunlight / Washing darkness falling until dawn / The song is as old as time itself, / It's the voice of an African day / You'll hear it in the bones of Mapongubwe / In the laughter of the children at play / It's in the ceaseless thunder of surf / The shimmer of the dust-laden noon / Where a drowsy buzz and a gypsy breeze / Chant the rhythm of an ageless tune / It's in the liquid thrill of the nightjar / And the soughing of wind across grass / It's the tumult in a tropical night / Or the whistles on a thousand paths / It's the city throb, the rasp of traffic / It's the anthem in the soaring skyline / It's the jazz in the alleys, the street symphony, / That sparkles like an African wine / The voice is my voice / The song is my song / A hymn from the land / To which I belong! / Too la, too la / Da da ra da / Listen! / Do you hear it? / For I am the voice of Africa!
